

The first Breast Imaging Fellowship Match will take place in March 2017 for the 2018 appointment year. The match is sponsored by the Society of Breast Imaging and it will be managed by the National Resident Matching Program. In order to become a fellow with Mount Sinai Medical Center you must register with the Radiology Match, of which Breast Imaging is a part.

To apply for a fellowship position, please send your resume to Kiesha Candry-Scatliffe Radiology Residence Coordinator at kcandrys@msmc.com or (305) 535-7901. We will then contact you about arranging an interview.

Breast Imaging has implemented an All In Policy for the Match. This means that programs participating in the Match cannot extend any offers to candidates outside of the match. Applicants can withdraw from the Match prior to the ranking deadline if they accept a position outside of the Match.

Dates of the Match:

- March 22, 2017: Registration opens
- April 26, 2017: Ranking opens
- May 31, 2017: Ranking Order List Deadline
- June 14, 2017: Match Day
- July 1, 2018: Training begins

Cost of the Match:

Applicants will pay a \$75 registration fee to register for the Match.
